INTERNATIONAL NON DOCUMENTS

A door-to-door service for time sensitive non-document consignments. All non-document shipments require customs documentation.

GLOBAL SAVER – INTERNATIONAL COURIER WHOLESAL SERVICE

Provides a simple +10 kg door-to-door courier service. Using an established worldwide airline and distribution networks we are able to offer a premium service at competitive rates. Global Saver transit time is 1 – 8 working days.

INTERNATIONAL "SPECIAL" CONSIGNMENTS

For "EXTREMELY URGENT" consignments that require special handling, package and/or direct routing to the destination country to meet your critical delivery deadline. These consignments must be advised prior to collection and additional charges will be incurred. Contact us on 021 951 2009 for assistance.

INTERNATIONAL DOOR TO AIRPORT AIRFREIGHT

For heavier or bulkier consignments that are not time sensitive. Airfreight is a more cost effective alternative to courier for larger consignments. Transit times will be dependent upon destination and customs clearance. The airfreight tariff will be quoted per consignment dependent on weight, volume, value and destination. ACT offers both a DOOR TO AIRPORT airfreight service.

INTERNATIONAL ROAD FREIGHT

Cross border road freight to neighbouring countries is a more cost effective alternative for heavier less time sensitive consignments. ACT provides a cross border service to: NAMIBIA, SWAZILAND, and BOTSWANA & LESOTHO. Transit times are again dependent upon final destination and customs clearance at destination. Tariffs for this service are available upon request.

DEFINITIONS AND DESCRIPTIONS – ALL SERVICES

INTERNATIONAL DOCUMENTS

Documents are defined as unbound printed-paper i.e. letters, reports, memos, proposals or similar paper based articles. There are no customs requirements for parcels containing documents only.

INTERNATIONAL NON DOCUMENTS/PARCELS

Non-documents are defined as anything other than documents e.g. documents with photographs, X-rays, books, advertising material, samples, videos, spares. Etc. I.e. these shipments always have a commercial value and require customs documentation.

TRANSIT TIMES

Transit times are reflected on the International Zone section of this proposal. These transit times are approximate delivery times. **Special arrangements can be made to meet critical deadlines.** Contact ACT for assistance.

WEIGHT RESTRICTIONS

ACT will accept heavy shipments for International Courier provided that no single piece weighs more than 30 kilograms (*International Labour requirement*). (E.g. a shipment weighing 300 kilograms in total should be packaged to form at least 10 pieces). In the event that this is not possible please contact ACT LOGISTICS to make special arrangements.

WEIGHT CALCULATION

Volumetric or actual: whichever is the greater. Consignments are taken up to the nearest 0.5 kilograms. Refer to the VOLUMETRIC CALCULATION section on the **GENERAL INFORMATION** for the conversion rates.

DOCUMENTATION

All non-document consignments require customs documentation. Please contact ACT for additional information on documentation required.

TEMPORARY EXPORTS

ACT must be advised of any goods that are being exported temporarily and which will subsequently be returned to the Republic of South Africa. I.e. goods being sent out of the country for repair or demonstration purposes that which will be returning to the Rand monetary area within a specified period. A DA65 will then be processed. Any identifiable markings or serial numbers must be listed on our accompanying **PRO FORMA invoice** and NEP form together with an ACT WORLDWIDE COURIERS air waybill.

RESTRICTED/DANGEROUS GOODS SERVICE

Any goods that are classified, as restricted or dangerous goods by IATA will NOT be permitted as a courier consignment. Goods of this nature MUST conform to IATA regulations and be packed in accordance with their rules and regulations. Any goods of this nature will be quoted per consignment.

DANGEROUS GOODS

It is the responsibility of the Shipper of goods to ensure that the consignment is not dangerous or hazardous for carriage by air. There are various international and domestic regulations governing the transportation of dangerous goods. Please ensure that your despatch staffs adhere to these regulations. Should there be any doubt as to whether your shipment will be classified as dangerous or hazardous or is a restricted article, please contact ACT. **Any goods classified as dangerous/hazardous for carriage by air must be brought to Act's attention.** Warning labels and declarations must accompany the goods and be packed in accordance with the applicable IATA regulations. **ACT will assist you should you require a special quote for packaging by an IATA registered packing company.** This will avoid potential delays prior to despatch. Rates for hazardous/dangerous goods will be quoted per shipment.
